

You want to buy your equipment (skis, snowboards, ski-boots) but you want to be sure of your choice and to avoid any unpleasant surprise :

Rent to buy:

All the skis that we sell are also available for hire. So you can test your equipment in a real situation before buying.

You test our equipment on the slopes...

1. If you like the equipment:

You can buy it and we don't charge you for the day's rental.

2. If you don't like it :

You just pay for the day's rental.
